Thursday 26<sup>th</sup> January

Dear Parents

The Governors of Stanford in the Vale CE Primary School are delighted to attach the recent Ofsted Report, where Ofsted have said that the school continues to be good. The inspector agreed with the school's own self-evaluation and the improvement planning already prioritised and that we are taking the right actions to achieve them.

Firstly, we would like to thank the Head and all the staff, not only for their work during the inspection, but also the day to day care and commitment that helps to make our school an inspiring, nurturing and inclusive community.

We are thrilled to see that the inspector recognised that the school has a culture of ambition, kindness and respect. He identified that pupils and parents are rightly proud of the school and all that it achieves. The inspector was especially complimentary about the impressive behaviour of the pupils and the way they care for each other. We are sure that you would like to join us in congratulating your child(ren). Whilst observing the lessons and talking to the pupils, the inspector saw the children's enjoyment, their ability to rise to the challenge and how they are confident ambassadors for the school and themselves.

Areas that have been identified to make us an outstanding school, had already been included in the School Improvement Plan, which can be seen on the school website noticeboard and these will continue to be addressed.

We thank you for your support and working in partnership with us.

Yours sincerely

The Governors of Stanford in the Vale CE Primary School

We're working towards Artsmark  
Awarded by Arts Council England
