

Stanford in the Vale CE Primary School

Adult Volunteer Helpers

1 Introduction

- 1.1 We want our school to be open and welcoming to all who would like to support the children. We also want to encourage parents and other adults to help teachers in a variety of ways. However, our overriding concern is for the safety of the children in our care. This document sets out our school's policy, which is to ensure that the children benefit from as much help and support as possible, and are provided at the same time with the best possible security.
- 1.2 The school has a variety of adults working on the premises at any one time. They can be categorised as follows:
- 1.2.1 Paid full- or part-time staff employed by the school:
- teachers;
 - teaching assistants;
 - caretaker;
 - cleaners;
 - school office staff;
 - catering staff
- 1.2.2 Adult workers employed by another organisation:
- peripatetic music teachers;
 - trainee teachers;
 - OCC advisers and inspectors;
 - health visitors;
 - grounds maintenance staff;
 - contract workers (e.g. an electrician or heating engineer).
- 1.2.3 Volunteer helpers:
- parents or other adult helpers working alongside teachers;
 - students on work experience.

This policy sets out the arrangements for volunteer helpers only.

The responsibility for the health and welfare of the child remains with the class teacher at all times.

3 Community Led Groups/Activities

Some members of the community kindly run clubs / groups, which the headteacher and governors have agreed to. These people do take responsibility for small groups of children and may take them off site. Parental consent is always sought for these activities.

4 Signing in

4.1 When helpers arrive in the school, they must sign in on the Ipad by the office. A visitor's badge will be printed, which they must put in a visitor lanyard and wear at all times. They must also sign out on the Ipad and return their badge and lanyard before they leave. As visitors sign in on the system they must read and accept the safeguarding and health and safety information.

5 Police checks

- 5.1 For the children's safety, all volunteer helpers, who come in once a week or more, are required to have police clearance through the Disclosure and Barring Service (DBS) before they work in the school.
- 5.2 The headteacher or governors have the authority not to accept the help of volunteers if they believe it will not be in the best interests of the children.

6 Deployment of classroom helpers

6.1 Helpers will be asked to support in classes in which there is the most need for individual support.

7 Health and Safety / Safeguarding

- 7.1 All volunteer helpers are required to attend in house safeguard training and online prevent training.
- 7.2 Class teachers will ensure adult helpers are aware of any specific, medical or special educational needs of certain children.

Adult Volunteer Helpers

- 7.3 Class teachers will ensure adult helpers know what to do and where to line up in the case of a fire.
- 7.4 Class teachers will ensure adult helpers know who the relevant first aiders are and what to do if someone is injured.
- 7.5 Adult helpers need to dress appropriately for working with young children and act as a role model, embracing our vision 'Working together, Achieving together' and our Christian values of Love, Hope and Community.

8 Monitoring and review

- 8.1 The day-to-day monitoring of this policy is the responsibility of the headteacher, who will report to the governors annually, stating the number of adult volunteer helpers in the school, and summarising their value to the children.
- 8.2 This policy will be reviewed by the governing body every two years, or earlier if considered necessary.
