

Continuing Professional Development Statement

At Stanford in the Vale Primary School, we aim for everybody to flourish in a loving community by ‘working together to achieve together’, with all achieving their individual potential to be the best they can be through the values of Love, Hope and Community.

Continuing Professional Development is any activity that increases the skills, knowledge or understanding of staff and their effectiveness in school.

All our staff have a personal and professional entitlement to Continuing Professional Development.

Staff should expect to engage in Continuing Professional Development and support the Continuing Professional Development of others.
