16th November 2026

Dear Parents

The Key Stage One Christmas performances are fast approaching, so we thought we would write to explain procedures.

The children are going to perform twice, on Tuesday 15th December at 2.00pm and again at 5.30pm. Both of the performances will take place at St Denys Church. The staff will take the children up to the church for the 2.00pm performance, dressed and raring to go! At the end of the afternoon performance we are happy for you to follow us back down to school and take your child home at 3.15pm. The children will go home in or with their costumes, so could you please bring them back to St. Denys Church in costume for 5.15pm, ready to start at 5.30pm. After the evening performance, once you have informed the relevant class teacher, you can then take them home. If you are not staying for the performance, please return to collect your child(ren) at 6.30pm. The children will go home in costumes after the evening performance.

Your tickets for each performance are attached. Tickets will be restricted to two tickets per performance per child. Please arrive from 1.45pm for the 2.00pm performance and 5.15pm for the evening performance. Our primary school children will be watching the performance during school hours so they do not need to come to the evening performance. If you do not have a ticket we will not be able to let you in. If you do not require your tickets you could give them to another parent or please return them to the school office.

We will be having a collection for the charity, The National Autistic Society at the end of the performances. FOSS will be selling tickets for our Christmas hampers in the entrance of the church, at £1.00 per ticket. Tickets have also been sent home with your child today- please bring to the church or school office with your money and they will be put in the relevant box. The raffle will be drawn after the final Key Stage One Nativity play on the evening of Tuesday 15th December.

The church are requesting that you bring a torch to the evening performance for safety, in case of a power cut.

Many thanks for your assistance
Clare Webb and Sam Day
Key Stage One teachers
